

## **Dr Melanie A. Crandall**

Dr Melanie A. Crandall graduated from Southern College of Optometry in 1977. Following graduation she completed a one- year residency at the Kansas City Veterans Hospital. Dr. Crandall spent the next twenty years in a large MD/OD private practice in Kansas City. After earning an MBA from Nova Southeastern University she became a full time faculty member in 2002. Dr Crandall currently holds the rank of Associate Professor. Her current research interests include Wavefront analysis and how learning styles may impact Optometric education. Dr Crandall is a thirty-year member of the AOA and has served her profession in a number of positions. She continues to participate in her local society.

Current teaching assignments include OTM IV course, OTM laboratories, Contact Lens Lab and Clinic as well as primary care clinic.
