

ORLANDO VA MEDICAL CENTER OPTOMETRY RESIDENCY

IN OCULAR DISEASE / PRIMARY CARE OPTOMETRY / GERIATRICS

3 positions. Start Mid-June, Finish Mid-June (52 weeks). Official start/finish dates announced after ORMATCH results.

ABOUT US

The Orlando VA Medical Center, in East Central Florida, is a member of the VISN 8 Healthcare System. The Orlando VA Medical Center includes the Orlando VA Medical Center at Lake Nona (ORL), Community Living Center, Outpatient Clinics (OPC) at Lake Baldwin (LKB), Daytona Beach, Viera and Palm Bay and the Community Based Outpatient Clinics located in Clermont, Kissimmee, Tavares and Deltona. There are 12 residency trained optometrists on staff (8 at ORL, 4 at LKB). All supervise the Orlando VA's Optometry Residents and Students in clinic. The optometrists provide primary eye care as well as management of chronic ocular diseases and ocular manifestations of systemic diseases. Some optometrists also participate in Low Vision exams, specialty contact lens exams and fitting and evaluation of patients with TBI. The Orlando VAMC developed the Optometry Residency program in March 2007. Nova Southeastern University is the academic affiliate. The first optometry resident started July 1, 2007. The residency program is fully accredited by the ACOE. The Orlando VAMC Eye Clinic has a teaching program involving fourth year optometry students from several different colleges of optometry. Ophthalmologists on staff are based at Lake Nona and include: cornea specialists, retina specialists, an oculoplastics specialist, glaucoma specialists, a general ophthalmologist as well as ophthalmology residents. Ophthalmologists manage advanced chronic eye diseases and ocular manifestations of systemic diseases as well as perform major / minor eye surgeries, intravitreal injections and laser procedures. There are numerous eye technicians on staff at each location that provide triage, screen patients, do Visual Fields, photos, OCT, pachymetry, B-scans, etc.

OPTOMETRY FACULTY

Dr. Jenette Cantrell, Dr. Babita Gounden (CL at ORL), Dr. Sara Henney, Dr. Lauren Kiggen (low vision at ORL), Dr. David Lynne (**Chief of Optometry** for Corporate Orlando, CL at ORL), Dr. Maria Mandese, (TBI at ORL) Dr. Beth Norris (**residency co-coordinator at ORL**), Dr. Claire Pizzimenti, Dr. John Spalding, (**residency co-coordinator at LKB**), Dr. Trisha Tran, Dr. Erica Walker (low vision at ORL), Dr. Betty Wang

- The Resident is responsible for their own housing. If possible, residents should live between Lake Nona and Lake Baldwin.

APPLICATION CRITERIA

- OPTOMETRY RELATED
 - The applicant will have achieved a minimum, cumulative GPA of 3.0 or equivalent in optometry school to be considered for an interview.
 - The candidate must have a passing score from Part I of the NBEO to be interviewed; Part II and TMOD scores shall be submitted as soon as they are available. Candidates must pass both Part II and TMOD by the ORMatch date in order to be ranked in ORMatch by March of the residency year.
 - Every candidate that applies is required to take Part III of NBEO and have scores submitted as soon as available. A passing score is required prior to 7/31 of the residency year.
 - The applicant must have earned an OD degree or will have earned such a degree from an accredited School or College of Optometry prior to July 1.
- OTHER
 - Residency applicants must be citizens of the United States to be considered
 - Residency applicants will be evaluated and chosen without regard to race, color, religion, sex (including gender identity, sexual orientation, and pregnancy), national origin, age (40 or older), disability or genetic information. ([Prohibited Employment Policies/Practices | U.S. Equal Employment Opportunity Commission \(eoc.gov\)](#))
 - More on eligibility / paperwork involved:
 - [Am I Eligible? Checklist for VA HPTs](#)
 - [Resources for Health Professions Trainees Coming to VA | Eligibility and Forms - Office of Academic Affiliations](#)

OFFICIAL APPLICATION SITE

- <https://ormatch.matchprogram.org/index/>

SELECTION PROCEDURE

- After all of the minimally acceptable candidates have been interviewed and the supporting materials reviewed, a panel of full-time staff optometrists will rank a number of candidates and send the rankings to the ORMatch office by the matching deadline.
- Once the Orlando VAMC Optometry Residency Program Coordinator has been notified as to the outcome of the matching process, the matched applicant will be contacted.

LICENSURE REQUIREMENT

- The selected resident is required to have submitted an application for an optometry license in any state prior to July 1.
- Should the selected resident not have an optometry license prior to July 31, the selected resident may be discharged from the program and an alternate resident (if available) may or may not be selected to fill the position through names of unmatched residents provided by ORMatch or other sources.

VA REQUIREMENT

- COVID vaccination (or approved exception) is a requirement for VA employment, including those who are coming to VA as without compensation (WOC) and those whose compensation is covered by a disbursement agreement (DA).
