

Directions:

For directions to the campus, please access the link on our website:

www.nova.edu/locations/maps/forms/campusmap.pdf

Once you access this map, look for the Health Professions, Terry Administration Building. You will also find directions on the second page of the PDF above.

You are to report to the Terry Administration Building, 4th Floor. Optometry is off the elevators and to the left. Once you walk in through the double doors, there is a receptionist desk and the Optometry office is on the left. Let the receptionist know you are there and they will call me. You may have a seat in the waiting area of the lobby while waiting for me to receive you.

The address is:

Nova Southeastern University
College of Optometry
